## TURLOCK POLICE DEPARTMENT

P.C.N. Application Instructions and Information Sheet City of Turlock Resolution 2008-231

The information you provide in this application will be used in an investigation to assist in a determination of Public Convenience or Necessity for an alcohol sales license in the City of Turlock.

- All persons interested in applying for a determination of Public Convenience or Necessity (PCN) must request an application from the Turlock Police Department Records Division.
- "Applicant Name" should be the owner/manager or individual responsible for compliance with the regulations or conditions of the permit.
- Applications must be filled out completely, legibly and accurately. If a question does not apply to you, write N/A (not applicable) in the space provided for your answer. If you need more space to respond, use a separate piece of paper and attach it to your application. Deliberate inaccuracies or incomplete information may result in the denial of a license or the revocation of an existing license.
- The applicant must make a "Live Scan" appointment with the Turlock Police Department for fingerprinting. When the fingerprints are submitted, all fees associated with the application are due.
  - There is an application processing fee which is determined by the Turlock City Council in the most current Cost Recovery Fee Schedule.
  - o Live Scan fees are determined by the California Department of Justice and the FBI. These are "Pass-through" fees
- With the payment of fees and the submission of the PCN application, the applicant will be required to post a notice (provided by the police department) at the location where the alcohol would be sold for a period of not less than twenty (20) days.
- The Turlock Police Department will wait for a return from both the California Department of Justice and the FBI prior to continuing with the application process. This can take two days to several months depending entirely on the processing time required by the outside agencies.
- Within ten (10) days of receiving the criminal history report (fingerprint returns) from the outside agencies, the City of Turlock PCN committee shall convene.
- The Chief of Police shall give written notice to the applicant of the Committee's decision approving or denying a determination of public convenience and necessity. The applicant shall have ten (10) days to file a written appeal of an adverse finding with the City Council or the Committee's decision will be final.
- The applicant may appeal the committee's decision to the City Council in accordance with the procedures set forth in Chapter 1-4, Appeals, of the Turlock Municipal Code.
- For additional information please contact Turlock Police Professional Standards Sergeant Paul Inderbitzen at (209) 668-6551 or by email at pinderbitzen@turlock.ca.us.
