Addendum No. 2

January 16, 2025

City Project No.: 23-068 Package 1
Roads Program Capital Improvement Project

Plan holders:

This addendum includes revisions to Plans and Specifications and provides clarifications and answers to questions submitted to the City.

Revisions to Plans and Specifications

The following additions, deletions or modifications shall become part of the Contract Documents:

Strikethrough text (~~text~~) indicates deletions.

Bold Italicized text (***text***) indicates additions.

Item No. 1:

Delete Pages 7 through 11 of the Specifications ("Bidding Form")

Add Pages 7 through 11 as attached to the Addendum. Changes reflect the addition of "Cold Plane Asphalt Concrete Pavement" bid item and adjustment of the quantity of "Remove and Replace Monument".

Item No. 2:

Q1: I had a question regarding note 1 for detail 2 on sheet D5. It seems the city intends to grind and remove the existing AC pavement prior to pre-pulverizing and grading for FDR. If this is the case, can you please increase the roadway excavation bid item quantity or add a cold plane item for the work to grind and remove the existing asphalt section?

A1: "Cold Plane Asphalt Concrete" Bid Item has been added to the revised bid schedule attached to this addendum.

Item No. 3:

Q2: Could you please clarify the scope/bid item description of bid item 13 "Roadway Excavation (F)" for a quantity of 77 CY?

A2: The "Roadway Excavation" bid item includes the 2' of pavement removal adjacent to new concrete improvements such as curb and gutter, curb, ramps, drive approaches, etc. Any regrading necessary after the removal of existing concrete improvements in these areas shall also be included in this bid item.

End of Addendum No. 2

BIDDING FORM

City of Turlock is hereinafter called the Owner.
