SUPERVISOR COMMENTS

Officers had a mild day today, they handled various types of calls for service and took 3 reports. Of note, Officers went to a residence of a subject they arrested yesterday and inquired about the vehicle that the subject was seen seated in. This led them to perform a probation search and eventually discovered a handgun used in a previous crime. Additionally, TPD was notified by the Sheriff's Dept that they attempted to stop a tan/black ATV with 2 subjects in it. The vehicle refused to stop for the deputy. TPD Officers found the ATV and it refused to stop, eventually pulling into a driveway. The driver of the ATV refused to stop and provide ID when he was contacted. He was eventually arrested for being an unlicensed driver and resisting/obstructing an officer, and the ATV was towed.

2 Assault and Battery

SUPERVISOR COMMENTS

Calls for service stayed manageable throughout the shift. After the Harvest Bowl was over, we received a call of large group of juveniles in a fight in the 2000 block of E. Canal Dr. Upon arrival, officers located a large crowd of juveniles but no active fighting. Several officers stayed in the parking in an attempt to stop any further incidents. However, this did not deter two female juveniles, who got into a physical fight in front of one of the officers. The officer was able to break up the fight but one of the involved females took off on foot. She did not get very far as the officer caught her and arrested her. Both juveniles were arrested and released to their parents.
