SUPERVISOR COMMENTS

Last night was the busiest night of the fair yet. The fair overtime officers investigated two domestic violence calls. One of the calls resulted in an arrest of the male half for felony DV. A Stan Co Deputy provided the transport for the fair units; however, we were later advised that the suspect needed medical clearance and the deputy was requesting a TPD officer go to the jail and transport the prisoner to the hospital. As of the time of this log, a fair unit is still at the hospital with the prisoner awaiting a head scan.
