2 Warrant

1 DWI Injury Accident

SUPERVISOR COMMENTS

The shift started out busy and slowed down after 2:00 a.m. or so. We only had three report calls with one subject getting booked and two being cited. A call worth mentioning involved a DWI Injury accident at W. Linwood Av. & S Tegner Rd. The intoxicated driver was pinned inside the vehicle and TFD had to cut off the driver door for him to be extricated. He suffered multiple fractures as a result. Due to his injuries and needing surgery, he was cited for the felony DWI offense. The other driver suffered non-life-threatening injuries. This call tied up a couple officers for several hours.
