We had numerous calls for service related to two car meets. One car meet was at the Monte Vista Crossing shopping center and while the other was at the Town Center shopping center. Officers were dispatched to both locations and the crowd quickly dispersed. Officers were dispatched to the 2200 block of Fulkerth Rd for a person refusing the business. Officers arrived and located the involved party. A records check revealed the person had several misdemeanor warrants. The person was arrested for the warrant and released on a citation. The person also agreed to leave the area.
