The shift was busy in the beginning, with officers assisting several swingshift officers on their calls for service. It tapered down as the night continued. Officers investigated a residential burglary in which the suspect was scared away by the home alarm. Officers also travelled down to Merced tonight. Earlier in the week, one of the officers investigated a robbery at a local gas station. He obtained good vehicle and suspect information and that info was broadcast. Merced PD spotted the car in their city and stopped the vehicle. They took two subjects into custody. Our officer responded and confirmed that they were the suspects he was looking for. Additionally, he was able to recover the handgun used during the robbery. As well as the clothing worn by the suspects.
