Tonight's shift was very busy keeping officers call to call for most of the shift. Right out of briefing Officers assisted CHP after their pursuit vehicle was ditched in a residential neighborhood within our city. With the assistance of an air unit officers we able to locate the driver of the vehicle after he was hiding in a backyard. Later in the shift an Officer attempted to make an enforcement stop on a bicyclist. The suspect fled from the Officer and was not located after a search of the area was completed. An Officer conducting self-initiated activity contacted a male at a Motel. The male had a warrant and was in possession of narcotics. He was placed under arrest and booked into Jail.
